

Last Dinner Run

With the holidays over, we had a great turnout for the January dinner run to the White Stag in Sugar Camp. The charcoal-broiled entrees were excellent, as usual.

Spring Fling

Our Tomahawk members will once again host our weekend event to start the driving season. This year's dates are April 26—27. It was a lot of fun last year so plan on attending!

Rooms can be reserved at the Comfort Inn in Tomahawk by calling 715/453-8900.

More information will be available soon.

Club Business

Tom Cance, winner of the bicycle last spring, generously donated it to Headwaters, Inc., an area agency serving the developmentally disabled population.

The club received a letter of thanks from the recipient, Alex Bloom, a 24-year-old client at Headwaters. He was thrilled to receive the bike.

Our club is still considering joining a national Corvette Club. The National Council of Corvette Clubs is one option.

We are still working on car identification for parade purposes. Bud and Deb Gessler presented a variety of window clings available for \$35 to \$40. They will have the information available at the Spring Fling, where members may choose whatever cling they want.

Bud Petrick is recovering from heart surgery. We hope to see him soon!
